The background of the entire slide is a close-up image of a person in a blue and gold power armor suit. The person's hand is visible, wearing a brown leather gauntlet and holding a complex, metallic device with various buttons, dials, and a small screen. The device appears to be a piece of in-game technology, possibly a Pip-Boy or a similar interface. The lighting is dramatic, with strong highlights and shadows, emphasizing the textures of the armor and the metallic components of the device.

THE WALKING DEAD

The background is a detailed comic book-style illustration. On the left, Clementine, a young woman with brown hair and a determined expression, wears a tan baseball cap and a denim jacket. She is holding a silver knife in her right hand, which is raised towards the top left. On the right, a large, grotesque zombie with a decaying, brownish-green skin and a wide, toothy grin is lunging forward. The zombie's face is covered in scratches and wounds. The background is a dark, misty forest with bare trees.
